Ksenija – Sorry for the delay! Please see below for the response from Shaw. You can simply cite the Synthetic Turf Council for the image to make life easier. Please feel free to use the one from the website or the attached which may be a better option.

Thanks!

Amy,

You can use this as a standard cross-section. Just cite the STC..

Thanks,

Chuck

Gents – the EPA is looking for a turf cross section to be used in their report. Their deadline is end of day today.

The pulled one from the STC website that is a Shaw graphic, but I need your permission to use it.

A) Would you be OK if they used that one and would you like it cited from Shaw (please give me exact citation) or STC? Either is fine on my end. This is it (attached) and they found it at http://www.syntheticurfCouncil.org/page/Resource_Center

B) Do you have one you feel is better to be used? They just want a “standard” cross section image.

Please let me know asap. Thanks!
